

# INFORMATION PACK

## Staffordshire ASA Championships 2022

### Weekend 2

This pack contains important information that will be enforced during the remaining two days of the championships. Please ensure athletes, coaches and support staff know about this latest information.

The Government are relaxing Covid restrictions but as an organisation we remain committed to ensuring a safe environment for all concerned. It is important to note that a number of officials remain concerned, and we would ask all to keep this in mind. Events of this nature cannot operate without officials and insufficient numbers could invalidate the license for the meet. So please respect their space.

- There is no spectating at the Championships keeping it consistent to the previous weekend.
- There is no requirement to show a lateral flow test but there is a requirement to register your attendance.
- Do not attend the venue if you have any of the symptoms of COVID or are generally unwell.
- It is not compulsory to wear a face covering, it is now a choice.
- Social distancing is expected.
- The end of the pool will not be used by swimmers or coaches.
